Daughters of Substance

A Daughter of Substance is a woman of encouragement, a daughter of constructive inspiration and significance. To be branded as a Daughter of Substance is to be able to help others to be powerful and credible to all she meets. A Daughter of Substance is in a person's life for a reason, season, and a lifetime but she only has a moment in time to impact people for eternity.

About #DoSubstance

Ministries of Substance was established by God in the beginning and revelation was enlightened July 1996.

Prophetess Althea is an ordained Minister of The Gospel, as well as the host to Blog-TalkRadio program "Fresh Start", which offers encouragement to all each Thursday Evening.

Prophetess Althea's mandate is to make ready and prepare a people unto the Lord and help women to be P.E.A.R.Ls ~ Prepared, Encouraged, Authentic, Resilient, and Loyal and being like our God in pouring out Love no matter what life put before us.

Our roles in life are many but we can do all things through Christ that strengthen us as women. No matter what we are Women of Royalty for the Kingdom (W.O.R.K.) who are pearls.

As Women Of Royalty for the Kingdom (W.O.R.K.) who are pearls we have to break the chains that binds us to the past, to relationship and to falsehood. It is now time to learn that as pearls you have been prepared, equipped, authentic, resilient and loyal to love how God loves.

The one thing we know that pearls come from

Daughters of Substance is about helping women enjoy her life while becoming empowered and equipped to deal all life brings. The evidences of her Substance are recorded in her lifestyle. How being synchronized, setting things in motion and knows that it is promotion time because her Substance Matters.

We believe in assisting women to see and know that her Substance is within. We want women to DO Substance (things that will make them be equipped, edified and empowered) to bring blessing to themselves and help the next generations of Daughters of Substance.

As a daughter of the King of Kings, her substance maybe challenged at times but she knows who her Father is. She knows that her joyfulness, cheerfulness, joviality, cheeriness, lightheartedness, happiness, joy, gaiety, high spirits, elan, jollity, exuberance, ebullience, liveliness, verve, vivacity, effervescence, buoyancy and zestfulness is her substance.

We are transparent, becoming empowered, totally authentic, Christ-like individuals fitted for the King's - our Father's use.

Because we are a Women of Royalty - we know that pearls come from being within a shell. Through the rubbing and pushing of the oyster within the shell a small grain of sandy

Life is the shell!

You are the Pearl!

Experiences is the oyster!

You can decide to be one valuable pearls and join Women of Royalty and become the chain that cannot be broken because we pearls are formed, created, spoken and birth to bring forth all power, dominion and glory for God.

The Lord says "Tell my *Daughters of Substance* to draw near unto Me. Do not be focus on things that are happening around you for My Spirit is being poured out on all flesh. It is now Heaven coming to earth and the effects are not pretty but the results will be far greater. Stay in My word, abide in me as I abide in you and be still and know that I am your God."
